

HP EVERYDAY MATTE POLYPROPYLENE, 2-PACK

Produce high-impact signs with this versatile, durable, and recyclable⁽¹⁾ matte polypropylene film. This tear-resistant substrate is easy to use and handle, and is ideal for both indoor and outdoor applications.

Produce high-impact signs with vibrant color

Produce prints with vibrant color and eye-catching image quality ideal for retail and POP signage and event displays. HP Everyday Matte Polypropylene provides excellent versatility and value across a wide range of indoor and outdoor applications.

Print, use, handle, and laminate with ease

Maintain peak productivity. HP Everyday Matte Polypropylene is easy to use and handle, whether you're doing a quick print run or large production runs. Post-print processing is smooth and easy with this tear-resistant substrate.

Deliver durable output for indoor or outdoor use

To provide durable, long-lasting prints, Original HP printing materials are designed together with Original HP ink formulations. Prints achieve indoor, in-window display permanence up to 6 months;(2 outdoor display permanence up to 3 months.(3

Print with the environment in mind

Help meet the environmental objectives of your company—and your clients. HP Everyday Matte Polypropylene is included in the HP Large-format Media take-back program, a free and convenient return and recycling program. Simply pack up eligible printing materials. HP picks up the shipping expense and handles sorting and recycling.

Benefits

- Indoor and outdoor versatility
- · Tear resistance for easier handling
- Display permanence in-window up to 6 months;⁽²⁾ outdoor up to 3 months⁽³⁾
- Broad HP Designjet printer compatibility
- Recyclable through the HP Large-format Media take-back program⁽¹

The HP Designjet printing system—the complete solution

HP Designjet printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to ensure reliable, consistent results with every print.

> **HP** Designjet printers

> **Image quality** Consistency Performance **Durability** Value

Applications

- High-impact signs
- POP and retail displays
- · CAD, AEC, GIS applications

Target customers

- Print service providers
- Retail store in-house printing
- Event designers
- Advertising agencies
- Government (printing maps)

Ph offers the HP Large-format Media take-back program in North America and Europe through which most HP recyclable media can be returned, availability varies. Some recyclable papers can be recycled through commonly available recycling programs. For details visit www.hp.com/recycle. Aside from this program, recycling opportunities for these products are currently only available in limited areas. Customers should consult local recycling resources for recycling these products.

Using Original HP 70 Photo Inks or HP 83 UV inks. Interior in-window display ratings by HP Image Permanence Lab on a range of HP media. HP predictions based on test data under Xenon-Arc illuminant—calculation assumes 6,000 Lux/12 hr day. Prints require cold lamination to achieve prolonged display permanence on compatible HP Designjet printers

using HP dye-based inks. For more information, see http://www.hp.com/go/supplies/printpermanence

(3 Using Original HP 70 or 91 Photo Inks or HP 83 UV inks. Display permanence and water resistance rating by HP Image Permanence Lab. Outdoor display permanence tested according to SAE J2527; in a vertical display orientation in simulated nominal outdoor display conditions for select high and low climates, including exposure to direct sunlight and water; performance may vary as environmental conditions change. Prints require cold lamination to achieve prolonged display permanence on compatible HP Designjet printers using HP dye-based inks. For more information, see http://www.hp.com/go/supplies/printpermanence
