

# HP Premium Plus Photo and Proofing Gloss

**HP Premium Plus Photo and Proofing Gloss is a glossy photo and proofing media that delivers beautiful prints that resist fading for approximately 70 years\*, consistent quality and the colour stability professionals demand.**

- Consistent glossy finish with thick media matte for professional quality prints
- Minimise colour shift with colour stability in less than one hour
- Thick rigid media with professional look and feel
- Gain the media flexibility to print A3 and A2 full-bleed images with one media size

\*Preliminary results from tests conducted by Wilhelm Imaging Research, Inc. indicate that prints made with HP No. 85 ink cartridges and HP Premium Plus Photo and Proofing Gloss paper may be displayed indoors under glass for approximately 70 years before noticeable fading and staining will occur. For more information see [www.wilhelm-research.com](http://www.wilhelm-research.com).

Perfect for trade show and event displays, POS and retail displays, photo enlargements, proofing.

Ideal for professional photographers, pre-press, proofing and graphic designers.
