

HP UNIVERSAL INSTANT-DRY GLOSS PHOTO PAPER

Get attention with your images. With improved HP Universal Instant-dry Gloss Photo Paper, enjoy even higher image quality. See deeper blacks and more vivid colors. And as always, enjoy instant-dry performance and durable, long-lasting prints.

Deliver excellent image quality

Produce excellent results with this economical photo paper. Improved HP Universal Instant-dry Gloss Photo Paper delivers excellent image quality for attention-getting photos and display graphics—from posters and presentations to retail graphics.

Save time and money with instant-dry prints

Save time, streamline your workflow, and increase your productivity. Prints dry instantly for immediate handling and lamination. Jumbo rolls enable unattended printing.¹ Enjoy the easy, trouble-free printing you expect from HP.

Gain versatility and durable, long-lasting prints

Count on durable, long-lasting prints. You get great results for indoor display graphics, whether you're printing with HP dye- or pigment-based inks. And you get exceptional print permanence, whether in-window² or away from direct sun.³

Print with the environment in mind

Help meet the environmental objectives of your company—and your clients. HP Universal Instant-dry Gloss Photo Paper is PEFC certified as a paper that supports responsible forest management worldwide. And this paper is recyclable through many commonly available recycling programs.⁴

Benefits

- Better image quality with Original HP dye- and pigment-based inks (wider color gamut for more vivid color, and deeper blacks)
- Higher gloss
- Durable prints for easier media handling
- Display permanence 200+ years indoors, away from direct sun;³ in-window—6 months un laminated, 1 year laminated²
- Longer periods of unattended printing with jumbo 61m (200 ft) rolls¹
- PEFC certified paper
- Recyclable through commonly available programs⁴

The HP Designjet printing system—the complete solution

HP Designjet printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to ensure reliable, consistent results with every print.

Applications

- Trade show and event displays
- Posters and presentations
- POP and retail displays
- Photo enlargements
- Art reproductions
- Geographic Information Systems (GIS)

Target customers

- Graphic designers
- Architects
